## MODERATOR'S MESSAGE

### **ELDER JOE B. MADDOX, Moderator Knoxville District Baptist Association**

Moderator Joe B. Maddox's passion is ministry related to expounding on the truth of scripture and meeting individuals and communities where they are to assist them by helping to meet their physical and spiritual needs. Therefore, as leader of the Knoxville District Baptist Missionary and Educational Association, Inc., Moderator Maddox desires to build on the foundation that has been laid by his predecessors. Under Dr. Harold A. Middlebrook, Sr., the immediate predecessor, the theme has been "Seeing Through New Eyes". Under Dr. Maddox's leadership, the theme is *"Seeing Through New Eyes: Refocusing on Missions"*.

"My goal is to lead the District churches to partner with each other and become more effective and efficient in ministry with the idea that 'iron sharpens iron.' I am interested in identifying effective and efficient ministries in the various churches and presenting them as models for other pastors to adapt for the purpose of meeting the interests and needs in their community."

I believe that "missions" should not be an event or a day, but it should be a way of life for gospel congregations. It involves two actions: *Assisting* and *Evangelizing*. My desire is to bring this concept of missions to the forefront of the District. The efforts are to be "Kingdom Minded". District churches should be involved in ministries that are focused on making disciples of Christ. In metropolitan Knoxville, only 20% of the people are connected to churches. The fact that 80% of the people in the Knoxville metropolitan area have no connection to any church means that there are enough "unchurched" people in our immediate vicinity to fill our pews many times.

This has been a challenging two years! We have learned a lot and are working diligently to create smoother transitions and innovative improvements without sacrificing the integrity of our historical foundation. I would like to thank all of the District Officers, Pastors, and laypersons for their prayers and support. I pray for your continued patience, personal commitment, and Christ-like understanding as we move forward into our 2013/2014 term."

God's blessing upon you all,

***Elder Joe B. Maddox***  
Moderator

## OUR LECTURER

### **JAMES MILTON MCCARROLL, JR.**

James Milton McCarroll, Jr., currently the Pastor of First Baptist Church in Murfreesboro, TN, is a Nashville, TN native. He received his Bachelor of Business Administration degree with a concentration in Accounting in 1999. He also received a Master of Divinity Degree from the Colgate Rochester Crozer Divinity School in 2003.

He is also the Moderator of the Stones River District Association of churches. Through this role, he has been blessed to oversee the work and fellowship of over 20 churches in the greater Nashville area.

He was licensed to preach and ordained to the Christian Ministry at the New Hope Missionary Baptist Church where Rev. James C. Turner, Sr. presides as pastor. He has since dedicated his life to bringing the message of faith, hope, and love in God through Jesus Christ.

Since his arrival to First Baptist Church in 2006, God has used Pastor McCarroll to bring about a revival in the congregational life to harvest a greater community impact. Led by the power of the Spirit of God, First Baptist Church has witnessed numerical, organizational, and—most importantly—spiritual growth. Inspired by the display of love and unity within the congregation, he has labeled the church as, “the greatest church this side of Heaven.” He truly believes that he has only experienced great achievements as a pastor because of the great faithfulness of God and the love and support of the congregation.

Pastor McCarroll has been blessed to teach and preach at numerous venues, conferences, conventions, revivals and retreats across the country, as well as internationally in Italy, India, Jamaica, and Guyana. His desire is for those to whom he ministers to experience the fullness of their Christian possibility.

He approaches ministry with sensitivity toward the holistic need for the faith, hope, and love required encountering the promises and power that rests within a relationship with God through Jesus Christ. To this end Pastor McCarroll endeavors to impact the world for Jesus Christ through the communication and application of the Word of God.

He is happily married to his lovely wife, Alfia.

### COURSE SYNOPSIS AND INSTRUCTORS

The general theme for our Association is: *“Seeing Through New Eyes: Refocusing on Missions.”* (Matthew 28:19). Our courses for this Session are centered on that theme as we seek to engage all aspects of “missions” which we believe involves two action words: *aiding* (helping) and *evangelizing*. Our definition of “missions” is *a service that meets both the physical and spiritual needs of an individual. It is meeting people at their point of need with a view toward persuading them to look unto Jesus as Savior and Deliverer.*

**Class subjects, instructors, and class locations are as follows:**

- † **JONAH’S WHALE – Pastor Christopher Battle, Classroom No. 5** (first floor/back hallway)
  - This course addresses the need for congregational leaders to examine how the church is living out its mission to make disciples. Using the biblical framework of the story of Jonah, this class offers six leadership lessons for transforming the church into a community that makes a difference. It challenges churches to answer the question: Would the world be a poorer place without my church?
- † **PREPARED BY THE GOSPEL TO BECOME A FRUIT-BEARING DISCIPLE – Pastor Tommie Mims, Classroom No. 2** (first floor/back hallway)
  - This course is designed to take the congregation’s focus off mere numbers for new membership, but raises the critical concern of how to scripturally mature people in the faith. In this model, members are not counted, but developed in order to be counted on for kingdom service. This course is an attempt to clearly outline and define True Christian Discipleship—to empower Membership for Effective Ministries.
- † **THE MINISTRY OF DEACONS – Pastor William Caldwell – Classroom No. 4** (first floor/back hallway)
  - This course focuses on The Role of the Deacon’s Ministry in Securing Effective Ministries for the Church. It seeks to get the Officers on board for Effective Ministries through the Gospel.
    - Seeing and understanding the vision as shared by leadership
    - Obeying leadership in following the vision
    - Helping push the vision by: (1) encouraging the Church and (2) encouraging the Pastor

## COURSE SYNOPSES AND INSTRUCTORS (continued)

- † **THE HOLE IN OUR GOSPEL – Pastor Valentino McNeal, Classroom No. 1** (first floor/back hallway)
  - *Fixing Ourselves For Effective Ministries: From Missionary Society to Missions Ministry*, this course calls us to exhilarating obedience to God’s life-altering, world changing command to reflect His love to our neighbors at home and globally. This course is imbued with the hope of what is possible when God’s people are transformed to live radically in light of His great love. This course is based on the works of Richard Stern (former president of World Vision International).
- † **AN EFFECTIVE MUSIC MINISTRY – Minister Tomma Battle, Chapel** (second floor)
  - This course seeks to give direction to the music ministry in finding ways to promote Effective Ministries through Music. It seeks to accomplish this by examining the way we choose our music and the theology of our chosen songs and hymns. As we examine our songs according to Scripture, it should inspire even the members of our music ministry to become involved in God’s purpose.
- † **THE BOOK OF GALATIANS – Pastor Charles F. Lomax, Classroom No. 6** (second floor)
  - Based upon our theme, this course focuses on the “right” Gospel in order to perform effective ministry. The only Gospel that God approves and blesses today is the Gospel of the “Grace” of God. Justification by “Sola Fide” – faith alone in Christ Jesus. This book’s theme is: “the GRACE of God is all we need.”
- † **THE GOSPEL OF MATTHEW – Pastor Darris Waters, Fellowship Hall** (second floor)
  - This Bible Study series will focus on Kingdom Building. If Christ Jesus is a King, He deserves a Kingdom. How can we involve ourselves in the Kingdom Building process? To answer that question, this course climaxes with The Great Commission.
- † **PASTORS/MINISTERS CLASSES – Pastor James M. McCarroll/Lecturer, Classroom No. 1** (first floor/back hallway)
- † **YOUTH/CHILDREN SESSIONS – Pastor Melvin Wright – Held at Bethel Baptist Church, 537 N. Hall Road, Alcoa, TN (Monday—Wednesday); Registration for youth classes will be held on Monday evening; all classes will be held from 5:00 to 6:00 p.m.; a snack will be served following class; rehearsal for our youth rally will be held from 6:15 to 7:00 p.m.; our evening Worship Service will begin at 7:15 p.m.; the District Youth will join in service at St. John on Sunday and Thursday evenings.**
  - **FAITH SHARING THROUGH RELATIONSHIPS – Minister J. C. Carmichael, Instructor**
    - Through this class the student will learn the basics of how to share the Christian experience as a natural part of their lives. It is intended to take the fear and mystery out of witnessing and to help make it part of their everyday lives.
  - **UNDERSTANDING THE PLAN OF SALVATION – Minister Anthony Burton, Instructor**
    - Through this class the student will learn God’s plan of salvation for the youth with the intent to help them understand not only their own salvation, but to recognize the need for salvation in their friends, family and associates.
  - **LEADERSHIP FOR YOUTH – Sister JaNay’ Bryant, Instructor**
    - Through this class the youth will learn how to apply the skills of leadership in their own lives. This class will help them become better leaders in their schools, churches, and communities. Ultimately, it is intended to prepare better Christian leadership for the future.

**Theme:**

**SEEING THROUGH NEW EYES:  
REFOCUSING ON MISSIONS**

*Follow and Go Fish*

By Deborah Ann Belka

Follow and go fish, for there is a large sea  
of people who need to learn more about Me.

Take My rod of love, cast it into the deep  
gather up for Me all my faithful sheep.

There are many souls needing to hear My Word  
go and tell them all about the truth you've heard.

Take My reel of grace and let out mercy's line  
bring to Me all of those who desire to be mine.

You needn't be a pro; I can use any one  
just go and get Me hearts that can be won.

Follow and go fish is all Jesus asks of you  
and now it's up to us to follow and go do!
