

RESOLUTION COMMITTEE REPORT

July 2014

Whereas, we the Resolution Committee of the Knoxville District Baptist Missionary and Educational Association, Incorporated, "Refocusing On Missions," and empowerment of the Churches through promotion of carrying out the vision of our distinguished and humble moderator, Elder Doctor Joe B. Maddox, desired to place on record a formal expression of our opinions and intentions as a Christian organization. Whose love and esteem of our Heavenly Father, His Son, and His Holy Spirit, "Refocusing on Missions" became aware of our lack of "WORD," we discovered we were anemic in the knowledge of the "WORD" is essential in order to fulfill The Great Commission, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost."

Therefore, the following resolutions were developed:

- (1) To continue to be willing to avail ourselves of every opportunity of discipleship, and to make disciples through the avenues provided by our local Churches, Institutions of Higher Education, District, Stated, and National Associations and Conventions, of which we are affiliated;
- (2) To continue to prove we are receiving this knowledge by our ability to teach teachers and other disciples, and assist our Shepherds in discipleship; and
- (3) We will continue to exemplify this vision and knowledge of God's WORD by the "renewing of our minds and the transformation seen in our lives through our daily walk with Christ Jesus.

Elder Maddox and Members of the Knoxville District Baptist Missionary and Educational Association, Incorporated, this we have done, and the evaluations taken are proof of this, for we are aware of increased participation, making of disciples, and spiritual growth. It is the prayer and desire of the Committee to continue these endeavors with a renewed passion for the "MISSION OF THE CHURCH."
